

**TRAVEL AND LODGING INFORMATION FORM 2008 GATHERING – Mar. 9, 2008**

It is essential to know your travel and lodging information ASAP. Please complete the form below. Your group contact person can complete one form for everyone. If someone in the group has slightly different responses, then indicate the difference(s) or prepare a separate form, whichever is easier for you.

Send the name of your lodging and whether you will be driving to/from Gathering events or taking advantage of the bus transport we are arranging. I need to have some idea of the numbers when negotiating with the bus company. I know some of the requested information is repetition but bear with me.

Send in the form when you have most/all of the information to: [martin.macintyre@juno.com](mailto:martin.macintyre@juno.com)
