COLLECTIONS 2014

This collection is inspired
by our grandmother -
LILY BLANCHE.

Born in the early 1900s,
Lily Blanche lived an
extraordinary life, bringing
up her children in India in
the last days of the Raj.

We have fond memories, as children, of
rummaging through her jewellery box
and finding beautiful and exotic pieces.

In later years she lived in a whitewashed croft on
the beautiful, windswept Hebridean island of Skye.

Inspired by her collection, we have taken vintage designs and given
them a modern twist, combining them with outstanding
21st century design. Our jewellery is imbued with meaning –
perfect for modern-day adventures, divas, lovers and soulmates.
