'Mardi Gras in Jackson'—Fun, Food and Family!

We are rapidly approaching the **2007 Utley Family Reunion, "Mardi Gras in Jackson,"** to be held on **Saturday, July 28, 2007** at the **Old English Inn** in Jackson, Tennessee.

There will be time for visiting with our relatives, time to look through photo albums, and especially, time to enjoy the lunch buffet catered by the **World Champion Cajun Cookers**. The meal they prepared last year was one of the best we've ever had, and we're expecting no less this year.

Our generous anonymous relative will donate the cost of the banquet room rental and all the meals for this reunion.

We are asking each family to send in \$10 with their registration form. This money will help to defray the cost of the printed programs, decorations, favors, and other reunion expenses.

We'll have lots of green, gold and purple decorations and we're asking everyone to wear one (or all) of those colors. This should be a very colorful family reunion photo!

We'll have lots of masks, doubloons, and beads.

Please return your registration form by **July 21**, so we'll have a head-count for the Cajun Cookers. We'll have to pay for every meal we request, so if your plans change, please let us know! At almost \$20 a plate, the expenses add up quickly.

We always have such a good time visiting and swapping tall tales and family stories. Plan to attend and join in the fun.

Mark your calendars now for noon on **July 28, 2007**.

We look forward to seeing **YOU** there!

Utley Family Update

A publication dedicated to continued communication between the descendants of **John Allen and Lilla Maude Jacobs Utley**.

Published bi-monthly in January, March, May, July, September and November.

Deadline for submission of material is the 20th of the month preceding publication.

Did You Know?

Mardi Gras came to New Orleans through its French heritage in 1699. Early explorers celebrated this French Holiday on the banks of the Mississippi River. Throughout the years, Orleanians have added to the celebration by establishing *krewe*s (organizations) which host

parades and balls. Carnival quickly became an exciting holiday for both children and adults.

Mardi Gras means "Fat Tuesday" and of course is celebrated on that day of the week.

The official colors for **Mardi Gras** are **purple**,

green, and **gold**. These colors were chosen in 1872 by the King of Carnival, Rex. He chose these colors to stand for the following:

- ♦ **Purple** stands for **justice**
- ♦ **Green** stands for **faith**
- ♦ **Gold** stands for **power**

Cousin Spotlight on J.P. Utley's Family

Jacob Prentyce (J.P.) Utley was the first son born to **Prentyce** and **Bernard Jacobs Utley**. **J.P.** was born on September 24, 1922 in Jackson, TN. He married **Wilma Rosamond Craig** on August 7, 1943 in Bryan, TX. **J.P.** died on August 26, 2001 in Jackson, TN. **Wilma** is still living and will celebrate her 86th birthday this year.

J.P. and **Wilma** had two children, a daughter, **Jackie** and a son, **Richard**. Our **Cousin Spotlight** in this issue will feature these two grandchildren of **John Allen** and **Lilla Maude Jacobs Utley**.

Martha Jacqueline "Jackie" Utley

In response to a questionnaire, Jackie Utley wrote:

"My full name is **Martha Jacqueline Utley**. I was born on March 20, 1949 in Jackson, TN. I am told that when my father's **Aunt Martha Utley Sladek** found out that Mom was expecting in March, she wrote a letter and said wouldn't it be wonderful if the baby (me) were a girl, and born on her birthday, March 20. I was, and **Mom** and **Dad** added **Martha** as my first name. They had intended to call me only **Jacqueline**. I have always been called "**Jackie**."

One of the first memories I have of my youth is playing in the backyard of the house we shared with my grandparents, **Prentyce** and **Bernard Utley**. We had a swing set, pear trees and lots of room to run and play. I'm told that I had an invisible cow, Spoodie, and I tended an invisible "veegetable" garden right outside the back door to the house.

Christmas memories: I remember being so excited to go in to living room on Christmas morning to see what Santa had brought. And he always remembered to bring ribbon candy, nuts and oranges as well as Christmas gifts.

Memory of elementary school: I remember that I loved school! A neighbor, who was also in the first grade, cried every morning because she didn't like school, and I would walk her to her classroom every morning and try to get her to stop crying.

The vacation our family took which I remember best was a trip to Mammoth Cave as part of a week-long trip around Tennessee and Kentucky. We didn't take that many vacations as a family, and this one was one of the last ones we took together as a family.

My first paying job: I helped my dance teacher with younger classes. I wasn't paid, but I received all my lessons for free. When I was 12 years old, she took two weeks off to have her first baby and I took over the studio for her. My longest employment as an adult was as a dance studio owner (21 years), but I've now been employed as an aquatics instructor at the Jackson Family YMCA for 18 years. So that's a close second. Still haven't retired, although I only teach 9 classes a week.

My formal education: Jackson [TN] High School, graduated in 1967; Union University, B.S. in Psychology, in 1975. My favorite subject in school was English literature; and my absolute least favorite was physics.

I first met my husband, **Lynn**

Jackie Utley c. 1949

Williams, in 1972. He was dating a good friend of mine. Needless to say, we haven't heard from her in about 30 years.

Lynn and I were married on June 11, 1976. The ceremony was in my parent's home in Jackson, TN. **Justice of the Peace Bobby George**, solemnized the ceremony, assisted by a good friend of ours, the **Rev. John Turner**. One outstanding memory of that day is: We had written our own vows which included the phrase, "We pledge to provide a stable, loving atmosphere for **Becky** (**Lynn's** daughter)." During the rehearsal the night before, **Bobby George** had stopped at the comma, making it sound as though we were going to have a stable. He got the sentence correct during the actual ceremony, but we both nearly laughed out loud.

(Continued on page 3)

Jackie Utley, continued

(Continued from page 2)

Our only child is **Rebecca Lynn Williams** born 20 July 1970 in Memphis, TN. We have no grandchildren, but do have four grandcats—**Princess, Zero, Data** and **Maggie**.

Special memories of my **Utley** grandparents: I remember my **Granddaddy, Prentyce Utley**, as a hardworking Jack-of-all trades. He rarely smiled, but when he did it was a great big smile that lit up his entire face. I remember him puttering around the house and yard, always busy; shooting squirrels out the kitchen window; and falling through the third-story roof in his late 80s. My **Mamaw, Bernard Utley**, was addicted to soap operas, and would watch “As The World Turns” and “The Edge of Night” faithfully. She was never too busy to take time to sit and

visit with us, and always made us feel like the most important people on Earth.

Civic, social and church honors and activities: charter member of Northside United Methodist Church, Jackson, TN; Miss Dixie Dance 1966, Miss Union University 1968, talent winner and runner-up to Miss Tennessee 1968, Miss Madison County 1969, West TN Fairest of the Fair 1969. Member of Southern Association of Dance Masters since 1965. Past president and member of Jackson Business and Professional Women; 2005 BPW Woman of Achievement; past president and Life Member of Jackson Evergreen Garden Club; Regent of Jackson Madison Chapter Daughters of the American Revolution; Trainer for the American Arthritis Association in Arthritis Aquatics, Arthritis Exercise, and Tai Chi for Arthritis; choreographer for Jackson Theatre Guild, Lambuth

University and Jackson Parks and Recreation Children and Teen Theatre productions; past president, stage manager and member of board of directors for Ballet Arts, Inc. One of my “theatre kids” won the Tony in 2005, and another is currently performing in the musical “Spring Awakening” on Broadway.

If my home caught on fire and I could go back in to retrieve only one thing (assuming all people and pets were safely out), I would choose my computer back-up disks, since so much of my family history data and family photos are stored on my computer.

If I could give advice on how to live a happy life, I would say, “Live your life in such a way that you have a positive influence on every life you touch. Cherish your family ties and tell your family every day that you love them.”

A memory I have of you is your talent for dance and gymnastics. It makes me smile to remember when you would come to visit, the girls would want to run put on their dance costumes, so you could teach them some dance steps.

Richard Wayne Utley

In response to a questionnaire, Richard Utley wrote:

“My full name is **Richard Wayne Utley**. I was born on Wednesday, March 5, 1952 around 10:00 a.m. at Jackson-Madison County General Hospital [Jackson, TN]. I have been told it was snowing on the day I was born. I was the first “**Utley**” grandson of **Annie Bernard** and **John Prentyce Utley**.

Richard Utley 1952

One of the first memories I have as a child was riding my tricycle into the back of my sister's bicycle, breaking the reflector on her back fender.

One of my favorite memories about celebrating Christmas was the family gatherings and the great food.

The vacation our family took which I remember best was going to the Smoky Mountains, Ruby Falls, and Cherokee Village when I was young. I remember seeing Black Bears for the first time, going in caves, and standing next to the Indian children, wondering why they were so much darker than I was.

My first legitimate paying job was at Morgan's Service Station when I was in High School. Since it was a full service gas station (remember them?), I put gas in cars, cleaned windshields, fixed flats, did oil changes, and some minor repair work. But the best part was flirting with all the girls that came by.

My longest employment as an adult has been with Helmitin Adhesives. I've been with Helmitin from 1984 to present. I began as a chemist, which evolved into technical support, which evolved into sales, which evolved into sales and technical support. I am currently responsible for sales for a specialized portion of the woodwork-ing industry for the entire United States and technical support for the US, Canada, Mexico and Puerto Rico. My bosses think I have too much spare time and should start doing tech support for parts of Europe. If I'm lucky, I may be able to retire by the time I'm 95.

I graduated from Memphis State University, now known as University of Memphis, in 1977 with a Bachelor of Science degree in Biology and Chemistry. My favorite subjects in school were the sciences: Biology, Chemistry, Math and Physics. My least favorite subject in school was history, which I now find fascinating.

I first met my wife, **Becky [Brown]**, in a class during my last semester at MSU. We had both taken “Intro to Theater”, which was one of the required classes for graduation. We had to see a play as one of the requirements for the class. I asked **Becky** if she would like to go with me to see the play and the rest is history.

Becky and I were married on Saturday, June 22, 1979 at Woodland Presbyterian Church in Memphis, Tennessee, with **Rev. Earl Wiggins** officiating. Waiting for the ceremony to begin, I remember standing in a

small room beside the sanctuary with **Dad**, who was my best man. **Dad** looked at the window of that small room, looked at me with a grin on his face and said, “Son, it's not too late - yet!”

During my school years, I had the privilege of spending many afternoons with my grandparents waiting for **Mom** or **Dad** to get off work and take me home. I remember **Granddaddy** always staying busy. Whether he was straightening old bent nails or shooting squirrels he was always happy and usually whistling. **Mamaw** stayed busy too. Except for her, busy usually meant sitting in front of the TV watching her soap operas.

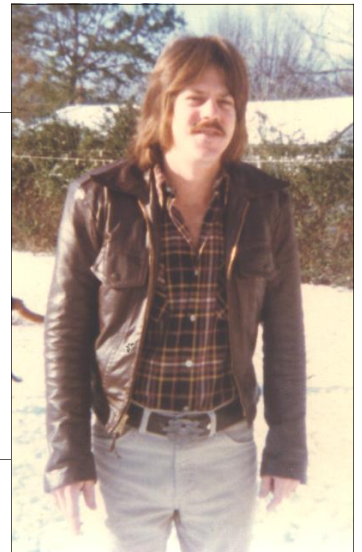

Becky and I have been blessed with four wonderful children and so far, two son-in-laws. **Jessica Leigh Utley (Jessie)** was born Jan. 26, 1982. **Jessie** was married to **Matthew Frederick (Matt) Means** on Oct. 28, 2006. **Mary Rachel Utley** was born on July 11, 1983. **Rachel** was married to **James Cobb Andrews** on Aug. 14, 2004. **Amanda Rosamond Utley** was born on March 15, 1985. And **John Prentyce Utley II** was born on July 27, 1989. All of our children were born at Baptist Memorial Hospital in Memphis, Tennessee. **Becky** and I have no grandchildren – so far only grand-pets.

If our house caught on fire and I could go back in to retrieve only one thing (assuming all people and pets were safely out), I would choose the family photographs because of all the memories that might be lost if they were not preserved.

If I could give advice on how to live a happy life, I would say treat others the way you would like to be treated. Thank God every day for your blessings. And, like the lyrics of a song; Happiness is not having what you want, rather, wanting what you have.”

The first time I saw **Richard** was in class at the University of Memphis. I noticed him as soon as he walked in, and as luck would have it, he sat down in front of me. Since we were assigned those seats, I got to sit behind him all semester. I thought he was so cute with his mustache and long hair, wearing jeans and leather jacket. Even though we never spoke, I would look forward to him coming to class every day. The last week of the semester, out of the blue, he turned around and asked me to go to a show with him. I was so surprised, but quickly said yes, and the rest is history. We've been married 28 years, have 4 children, and he is still full of surprises.

—**Becky Utley**

Richard always had a love of old cars and old trucks. This is a picture of **Amanda** trying to help him work on his old truck. She would always want to climb under the truck with him and help.

—**Becky Utley**

Richard passed on his love of old trucks to his son, **John**. **John** always wanted an old red Blazer, and **Richard** found this one for him. "Like father, like son."

—**Becky Utley**

Jackie has always loved to make holidays special. Here is "**Aunt Jackie**," aka "**The Easter Bunny**" with **Amanda**, **Jessica** and **Rachel Utley**.

—**Becky Utley**

Jackie was always so active and **Richard** was so laid back. If she had money, she was ready to spend it. If he had money, he wanted to save it for some other day. They are so different, but I love both of my children very much. I am very blessed to have both of them.

Sue Bates, wife of **Bobby Bates**, had outpatient knee surgery on Jan. 9th. Arthroscopic meniscus repair (torn cartilage) was the order of the day but calcification (osteoarthritis) was discovered as well

once inside the joint and so the procedure became a bit more involved as the deposits got a little buffing down where possible. Recovery has been a little slower as a result but she hopes to be back to near normalcy again after her next post-op check-up on Feb. 23.

Bobby has been picking up the slack with the animals during **Sue's** convalescence, bless his heart! **Sue** says she couldn't have gotten through this time without his capable help!

Utley Family Cookbook

For the **2007 Utley Family Reunion** we will be publishing an ***Utley Family Cookbook***. We are asking all family members to submit their favorite family recipes. The format will allow us to print a photo, sketch, child's artwork, and/or a brief description of the recipe and when your family serves it (Thanksgiving, Christmas) or who created the recipe (Great Aunt Martha) or just how much your family likes it. The price of the cookbooks will be determined by how many we order and how many pages we end up printing. I'm giving deadlines for each type of recipe, but of course, will welcome any recipes at any time. Those of you with email addresses will be receiving an invitation to submit your recipes online at your convenience. We need all recipes submitted **before June 15, 2007** to allow time for proofing and printing.
