You are responsible for keeping informed of our plans and keeping us informed of your plans. The updates are prepared weekly or bi-weekly and it is too difficult to send them by e-mail to everyone each time. E-mail addresses change and sometimes are returned: UNDELIVERABLE! This web site and my e-mail address won't change.

William Mateer (Mac an t'Soir) has offered to help prepare a daily newsletter for the Gathering. Here is his fanciful version of the first-day newsletter.

MacIntyre World Gathering Taynuilt, Scotland July 17 - 20, 2008 **NEWSLETTER**

McIntyres Win World Golf Tournament!

All the prizes awarded at the inaugural World Invitational Golf Tournament held in Taynuilt, Scotland on Thursday, July 17th were won by MacIntyres!

The winners will be announced at the Gala Banquet on Friday night at the Argyllshire Hall in Oban and again at the Corran Hall Saturday night Ceilidh.

They came, they saw, they conquered! MacIntyres from all over the world converged on the tiny Scottish Village of Taynuilt for the 2008 World Gathering.

Martin MacIntyre Wins Inaugural World Golf Tournament at Taynuilt Course!

A delighted Martin MacIntyre from San Francisco, California said he was surprised to win the Inaugural World Golf Tournament organised for those attending the World Gathering of the MacIntyre Clan.

He recorded a great card on the event and everyone was delighted with his success. A hole in one topped his cheer when he chipped a super tee shot into the short 8th hole.

He will receive his award at a Special Awards Night to be held in the Argyllshire Hall, Oban tonight Friday 19th July at 8pm.

Other winners included members from Canada, Australia and New Zealand so all in all it was a real World Cup event.
